BEFORE YOU PLAY

How To Run A Great Game Night

1

Pick teams

Mix ages on every team: a kid, a parent and a grandparent. Teams of 3 to 5 keep everyone playing.

2

Set a timer

Most games here use 60 or 90 seconds. Use the Party Scoreboard App or the timer on the headband remote.

3

Keep score

Use the score sheet on the last page. Play to 10 points, or play three rounds and add them up.

4

Mix it up

Play one headband game, then one classic. Switch before anyone gets bored.

Games 1 to 6 use the LED headband. Games 7 to 25 need only paper, music or things you already have at home. Many work with the 300 words in the Holiday Word Pack.

HEADBAND GAMES

Play With The LED Headband

01

Classic Guess

2 to 10 players | 60 seconds a word

Put on the headband and press next. Your team gives clues, acts it out and hints, but nobody says the word. Guess it before time runs out to score a point.

Tip Start on Beginner with young kids, then move up a level each round.

02

Silent Mode

3 to 10 players | 60 seconds a word

Same as Classic Guess, but your team may only act. No talking, no sounds, no pointing at letters.

Tip Great for loud family parties: everyone ends up acting at once.

03

One-Word Clues

4 to 10 players | 90 seconds a round

Each teammate may say one single word as a clue, then the next person goes. Keep going around the circle until the wearer guesses.

Tip Ban the obvious words before you start, like the first letter of the word.

04

Speed Round

2 to 10 players | 90 seconds

Guess as many words as you can before the timer ends. You may pass twice per round. Count the correct guesses at the end.

Tip Use the remote to skip fast, then play it again with the next player.

05

Team Relay

6 or more players | First team to 10

Split into two teams. When the wearer guesses, the headband passes to the next teammate. The first team to 10 correct words wins.

Tip Have one grown-up hold the remote for each team.

06

Head To Head

4 or more players, 2 headbands | One word each

Two players wear a headband and face each other. Both teams clue at the same time. The first wearer to guess wins the point for their team.

Tip This is where the second headband pays off: pure chaos, in a good way.

CLASSIC PARTY GAMES

The Classics, With A Twist

07

Telephone

5 or more | 10 minutes

Sit in a line. The first player whispers a sentence to the next, once only. The last player says it out loud.

Tip Start with a holiday sentence and see what it turns into.

08

Two Truths And A Lie

3 or more | 15 minutes

Each player says three things about themselves. Two are true and one is made up. Everyone guesses the lie.

Tip Grandparents always win this one.

09

Draw It

4 or more | 60 seconds a word

Pick a word from the Word Pack and draw it for your team. No letters, no numbers, no talking.

Tip Use a big notepad so everyone can see.

10

Fishbowl

6 or more | 30 minutes

Everyone writes words on slips of paper. Round 1: describe the word. Round 2: say just one word. Round 3: act it out. Same slips every round.

Tip By round 3 the inside jokes make it the best round.

11

20 Questions

2 or more | 5 minutes a round

One player thinks of a thing. The others ask up to 20 yes-or-no questions to guess it.

Tip Keep a tally on your fingers or on the score sheet.

12

Would You Rather

3 or more | As long as you like

Ask a question with two choices, like snow every day or summer every day. Everyone picks a side and says why.

Tip Kids love writing the questions themselves.

13

Freeze Dance

4 or more | 10 minutes

Play music and dance. When the music stops, freeze. Anyone who moves sits out the next round.

Tip Let the youngest player be the DJ.

14

Musical Chairs

5 or more | 15 minutes

Set out one chair less than the players. Walk around while music plays. When it stops, sit. The player left standing is out, and one chair goes.

Tip Use cushions on the floor if you have no spare chairs.

15

Simon Says

4 or more | 10 minutes

The leader gives moves. Only follow if the leader starts with Simon says. Follow a move without it and you are out.

Tip Speed up the moves as fewer players are left.

16

I Spy

2 or more | 10 minutes

Say I spy with my little eye something that is red. Everyone looks around and guesses.

Tip Use colours for small kids and first letters for older ones.

17

Story Chain

3 or more | 10 minutes

One player starts a story with one sentence. Each player adds the next sentence. Keep it going for three rounds.

Tip Start with: On Christmas Eve, the dog found a strange box.

18

Hum That Song

4 or more | 30 seconds a song

Hum a song without words. Your team has 30 seconds to name it.

Tip Holiday songs work great for all ages.

19

Forbidden Words

4 or more | 60 seconds a word

Describe a word from the Word Pack without saying three banned words, picked by the other team. Say one and you lose the point.

Tip Write the banned words down so nobody argues.

20

Wink Murder

6 or more | 10 minutes a round

Secretly pick one player as the winker. The winker knocks players out by winking at them. Everyone else tries to spot the winker.

Tip Played sitting in a circle, so it works on the couch.

21

Sardines

4 or more | 20 minutes

One player hides. Everyone else looks. When you find the hider, squeeze into the same spot. The last one to find the group loses.

Tip Set rooms that are off limits before you start.

22

Spoons

4 or more, a deck of cards | 15 minutes

Put spoons in the middle, one less than the players. Pass cards to get four of a kind. When someone grabs a spoon, everyone grabs. No spoon, you are out.

Tip Use soft spoons or wooden ones for little hands.

23

60-Second Challenges

2 or more | 60 seconds each

Set fun one-minute tasks: stack 10 cups, move a cookie from forehead to mouth with no hands, keep a balloon in the air.

Tip Film the cookie one. You will watch it all year.

24

White Elephant Swap

6 or more, one wrapped gift each | 20 minutes

Draw numbers. Player 1 opens a gift. Each next player opens a new gift or steals one already opened.

Tip Set a price limit so the gifts stay fun.

25

Holiday Scavenger Hunt

2 or more | 20 minutes

Write a list of things to find around the house: something red, something that jingles, a sock, a candy cane. First team to find them all wins.

Tip Hide a small prize at the end of the list.
